

Registration is now open!

Julia Robinson Mathematics Festival

Friday, February 23, 2018 • 9:30 AM-1:30 PM

Santa Fe Community College 6401
Richards Ave., Santa Fe, NM 87508

Explore the joy and power of mathematics
Come and enjoy an event full of exciting and interesting mathematical challenges!!
There will be games, puzzles, and mathematics activities not usually seen in the classroom.

Julia Robinson
Mathematics Festival

Teachers and their students in 7th and 8th grades are invited to explore intriguing, accessible mathematical activities in a collaborative, non-competitive atmosphere. The activities will range from levels that middle school students will enjoy to levels that will challenge the brightest of students.
