

STEM Educator

STEM Santa Fe

[STEM Santa Fe](#) seeks a motivated Educator to enhance and facilitate our STEM programs in Santa Fe and Española. The ideal candidate is passionate about STEM education and is committed to Northern New Mexico's youth.

STEM Santa Fe advocates for, develops and provides Science, Technology, Engineering and Math programming, mentoring and resources for all Northern New Mexican youth, especially those who are under-represented in STEM, to realize their potential and expand their opportunities in our dynamic world.

As the STEM Santa Fe Educator, you will:

- Coordinate and implement innovative STEM programs and activities that develop age-appropriate new knowledge, attitudes or skills.
- Work directly with and lead a committed and enthusiastic group of volunteers in programs in and out of schools, on field trips, and in workshops.
- Actively participate in program planning meetings and work collaboratively with the STEM Santa Fe team (which includes volunteers, teachers, student mentors, interns, and partners).
- Maintain reports, evaluations, logs, forms, event attendance and schedules.
- Embody STEM Santa Fe's aspirational goals: inspiring and expanding horizons into STEM college and career pathways, experiential learning, commitment to learning, developing STEM skills competencies, and developing positive STEM identity.

Qualifications:

- Associate degree or higher in a STEM field
- Passion for learning, sharing knowledge, and collaboration.
- Excellent organization and communication skills and working in fast-paced environment
- Skilled with computers, projectors and other technology.
- Local or able to regularly commute to Santa Fe and Española.
- Able to work flexible hours and weekend hours.
- Background check required.
- Access to a car for travel between sites and transport of materials and equipment.
- Background in education with strong classroom management skills.
- Proficient or fluent in Spanish preferred.

Benefits and pay negotiable (starting at \$16-\$18 per hour), depending on experience and qualifications. Twenty (20) hours per week, with potential to increase.

If interested, please send resumes/CVs and a list of three references to info@STEMsantafe.org

Santa Fe values diversity and is an equal opportunity employer.
